

Fall 2024

Dear Friends and Neighbors,

Fall has arrived and this is when your Granby Community Fund makes its annual appeal for donations. The Granby Community Fund is quite unique! It has been part of our close-knit community for almost 70 years – helping our own local 501(c)3 agencies and town organizations with grants made possible from our generous residents and businesses.

If you contributed to last year's campaign, we once again thank you! If not, please consider donating this year. Last year we were thrilled to provide grants of almost \$48,000 to our community! Your donations helped provide farm fresh produce from Holcomb Farm to local families with food insecurity and to seniors through four distribution Partners in Granby; also emergency assistance and disaster services to Granby families through the Salvation Army, the American Red Cross and Granby Social Services; support of the varied YMCA programs for families in crisis and a safe environment for young people to gather with friends; and so much more. On the back of this letter, you will find a complete list of our agencies and how they serve our community.

We have expanded our community involvement: in order to get to know our Granby business community better, we joined the Granby-Simsbury Chamber of Commerce this year. We have participated in each of the Stony Hill Village Community Serve events and just recently we joined a few other community groups in bringing the clock back to its prominent location near our municipal complex. We are so thankful to be part of a community that supports each other in such meaningful ways! We are asking for your contribution again this year so we can continue to join together in supporting our own community.

Please make your check payable to Granby Community Fund, PO Box 94, Granby, CT 06035. We've included a self-addressed envelope for your convenience. Or, to make donating as easy as possible, simply scan the QR code below with your smartphone, directing you to our secure donation site.

Thanking you in advance.

Sincerely,

Patty Sansone, President
Granby Community Fund Board of Directors
